

# Summerpalooza '21

Summer Fun for Every Scholar!

Summerpalooza '21 is your home for support, professional development, and all the tools you need to make this your most productive professional summer yet!

## FREE Programs

**Summer Academic Working Groups:** Groups of 4-6 scholars trade works in progress all summer for accountability and feedback

**Writing Your Journal Article in Twelve Weeks Groups:** Groups of 4-6 scholars work through Wendy Belcher's book (2<sup>nd</sup> ed) together to revise a piece of work for publication

**Learn R with Friends:** Use Slack & group-scheduled work sessions to do an 8-week MOOC on R for basic statistics. No background needed!
